Objective

I am a young and Creative Producer/Media personality with over five years experience in TV , Radio broadcasting, Documentary and filmmaking. My skills have come in handy towards implementing changes that enhance company position and lead to success. I am passionate about seeing how I can contribute to creating solutions to problems using content creation as a vessel.

Experience

Jan/2020 - Till present

Spurplay Africa (Newyork)

Freelance Correspondent/ Writer for African Film and Television
SpurPlay Africa is an American based Digital Company. I write and review African films ranging from short film, Features, Documentaries and TV series. I also create original editorials by interviewing African Filmmakers.

March 2021 - May 2021

Ebonylife Creative Academy

Creative Producer/ Short Film; Reflections
As a Creative Producer, I was involved in the story development and I worked closely with the director on set in terms of creative approach, also managed the entire production and supervised Post-production of the film by giving notes and working closely with the director and post production crew.

Nov 2019 - Oct 2020

JB Multimedi Studios/ Free Spirit Films.

Content Producer/Production Management.
I Produced documentary film projects and served as a production manager for the company production projects . I have managed a documentary legacy Project for TEDx Euston London from Lagos, Nigeria.
I also managed a tender project for the European Union in Nigeria for JB Multimedia Studios.
I have also produced several documentary films on the impact of the Corona-Virus Pandemic in Nigeria.
Link to documentary projects for JB Multimedia/Free Spirit Films.
